THAWING PROCEDURE

1. Line a cookie pan with parchment paper.
2. Place 9 frozen pizzas on the lined cookie pan.
3. Cover the pan with plastic wrap.
4. Place in the walk in until fully thawed.

NOTE: Shelf life of 48 hours includes the 12 hour thaw time.

STORAGE PROCEDURE

STORAGE

1. Pull the thawed pizzas from the walk in.
2. Place 2 pizzas in the 1/3 par side by side, then cover with a liner. Repeat two more times to create two stacks of 3.
3. Cover the par with plastic wrap, complete a product label and store in the bottom of the appropriate make station.

NOTE: 36 hour shelf life, once thawed.

SERVICE PROCEDURE

1. Remove 1 pizza from the par and place it on a MerryChef tray.
2. Heat on the appropriate setting.
3. Using a metal spatula, remove the pizza from the MerryChef tray and place on the cutting board.
4. Cut into quarters.
5. Serve on a plate with choice of side and a mini cookie. See picture for plating.

For to-go: Use a large to-go box and place the mini cookie under the craft liner. All sides will be served outside of the box.
